Grant-in-Aid of Research, Artistry and Scholarship (GIA):
Past, Present, Potential Funding

To download Google template as a Word document, click **FILE** and right-click to select "**Download as".** Select **Microsoft Word** and give the file a new name. When you have filled out your funding information, select FILE and then "**Save as Adobe PDF**" and save document. Upload PDF to your online GIA application in WorkflowGen.

Instructions: Provide a record of your funding for the past five years and applications submitted, but not funded, within the last two years. Please list (1) the unit in which you are employed and the percentage of your salary that is paid by that unit, (2) non-sponsored/internal funding (including *start-up, matching, endowed chair, Imagine Funding, funds associated with position*), and (3) sponsored/external funding.

	YES	NO	Please answer YES/NO questions with an X.
Have you had funding in the past 5 years?		X	
GIA Applicant Name	Gopalan Nadathur		
Salary Support (Unit Name)	Department of Computer Science and Engineering		
% of Salary Covered	100%		

	YES	NO	Please answer YES/NO questions with an X.
Is this non-sponsored/internal funding?		X	
Is this sponsored/external funding?	X		
Is funding Past, Present, Potential or Not Funded?	Potential		
Applicant's Role (PI, Co-I, other)	PI		
Source of Support	National Science Foundation		
Amount Awarded	$619,492 requested		
Amount Remaining	N/A		
Period Covered	N/A		
Project Title	Modular Metatheory for Extensible Languages		
Budget Items Covered	Grad RA salaries, PI summer salaries, travel		
Is there overlap with GIA?	Yes, resubmission supported by proposed GIA work		

	YES	NO	Please answer YES/NO questions with an X.
Is this non-sponsored/internal funding?	X		
Is this sponsored/external funding?		X	
Is funding Past, Present, Potential or Not Funded?	Present		
Applicant's Role (PI, Co-I, other)	PI		
Source of Support	Indirect Cost Recovery (ICR) Funds		
Amount Awarded	N/A		
Amount Remaining	15145		
Period Covered	Indefinite		
Project Title	N/A
